BIO

I'm a 23 years old B.Tech. (IT) graduate and have provided graphic design consultancy to many clients like **Hindustan Times** (also designed cover page for **HT Brunch**. Can be seen at <https://tinyurl.com/htparth>), **AIDS Healthcare Foundation (AHF)**, **Matchstick Studio**, **Impulse New Delhi**, **JK Paper**, **Vedanta** among several others.

My current work and expertise lies in conceptualising designs and designing graphics, social media creatives, reports, presentations, brand identities and marketing collaterals. Minimal designing is an integral part of my work. My work can be seen at my website: <https://www.parthgarg.com/>

Why don't we work together? Go further down to see why I am the one you need to hire!
